We decided to discontinue publishing names and addresses of members - for two

reasons: 1) To protect the privacy of individuals and 2) To encourage members to share with all members by submitting responses to queries to the WCGS Editor for publication in our newsletter.

WCGS received a nice thank-you from Veronica Jones Haskett, together with a copy of the bulletin used during the funeral service for her mother, the late Ella Louise Jones.

Coming soon: Terace Fagan Mitchell has shared an article for our February 2002 issue: "Is Slave Research Hopeless?" From her Moore Family News:

A thought for Christmas:

Do you know what would have happened if it had been Three Wise Women instead of Three Wise Men? They would have asked directions, helped deliver the baby, cleaned the stable, made a casserole, brought practical gifts and there would be **Peace on Earth!**

Monnie Holland Davenport Family

In late summer, Thelma Terry and Pearle Davenport Clark stopped by our house, looking for the burial place of Monnie H. Davenport. The Weede Cemetery, back of our home, was inaccessible that day and the two ladies returned in October after the path had been mowed and the crops harvested. On their first visit, we exchanged information and, as promised, Mrs. Terry later mailed copies of work done by Cynthia J. Clark. Mrs. Terry's comments:

"....It was so good to meet you the day Pearle Davenport Clark and I stopped by your house when we were looking for the Weede Cemetery where Pearle's mom & dad (Monnie and Collie Davenport) were buried. We appreciate all of the help that you gave us and I have enjoyed the books that I bought from you.

"Cindy didn't have all of Monnie and Collie's children listed in order. She did the project as part of a class and had a limited time. Dorothy was the oldest, then Hollon, Ray, Pearle, Hazel. Delana, Lucille, and Roderick with the ones who died young interspersed in date order. Additional dates:

"Hollon died 31 December 2000, Fayetteville NC (bur. Lafayette Cem. in Fayetteville NC)

"Ray's dates: Ray Edison Davenport: b. 6 Nov. 1925; d. 11 May 2000 (he probably died in Greenville as he was in the hospital there several times. he was living in Bethel NC at the time that he died. He's buried in Davis Cemetery, Pungo Community, Pantego Twp., Beaufort Co, NC and the dates came from his tombstone. He married Dora Pearl Ewart (b. 29 March 1929, d. 13 Jan 1999)."

Thanks to Mrs. Terry for sharing. There are other descendancy charts, including Orestes Foredice Davis, Garland Swindell Clark, and Ellis Henry Davenport. Members who would like copies should send SASE to WCGS for same. If we receive many requests, we will include in an upcoming newsletter.

We end this year with best wishes to our members and hope those of you who have not yet done so will send your 2002 membership fees post haste! This is your last issue until renewal fees have been paid. Check the address label on this issue for expiration date! Our next regular meeting will be Sunday, 20th January 2002; 2:30 p.m., Fellowship Hall, First OFWB Church, US 64 W, Plymouth. Bring family data to share, questions, new books. We will not meet in February but look forward to hearing Earl IJames from A&H at our March meeting. Please join us.

Happy New Year & Great Hunting
